

# Motorola **CLS Series** Two-Way Radio

Durable, lightweight design for retail, hospital-ity, and restaurant environ-ments.

One-button push to talk for ease of use.

Clear, strong audio performance for confident communications in noisy environments.

Li-Ion batteries provide 12 hours of talk and listen for service over long shifts.

Dependable and durable for long life, more uptime and lower replacement costs.

Operates on 1 watt of power and supports 56 UHF exclusive business frequencies.

Single-unit chargers provide rapid charging in a compact space-saving design.

Multi-unit chargers conven-iently charge up to six Motorola CLS Radios simultaneously, and can be wall-mounted.

Multi-unit charging tray allows for easy cloning from radio to radio.

Single and multi-channel models available.

Flexible carry options include belt-clip holsters and optional carry case with strap.

A variety of comfortable earpiece options keep conversations private.

One year over-the-counter exchange warranty.
